## THANK YOU FOR CHOOSING DELTA APPAREL

For over 100 years, Delta Apparel has strived to bring people closer to what they love. We work hard every day to remain on the cutting edge of the marketplace by delivering the quality, selection and innovation you and your customers want — at extremely competitive prices. You'll see the quality in our advanced comfort fabrics and their unmatched printability. You'll love our selection of popular styles — with an inclusive size range from toddler to adult plus an extensive color palette that leads the industry.

Delta Apparel is your one stop shop for your apparel needs. Whether you're looking for corporate apparel, workout and athletic gear, or simply your new favorite tee it's all here — at Delta Apparel.

## COMMITTED TO SUSTAINABILITY

Being environmentally friendly is essential for the health and well-being of our planet. By adopting environmentally friendly practices, Delta Apparel has reduced our carbon footprint and will continue to work to preserve our natural resources for future generations.

From our fabrics, dyes and inks to our emissions and lands, our pledge is to ensure every step of our production is done with the health and well-being of our planet in mind. By implementing the most forward-looking sustainability policies Delta Apparel will leave our lands in the same condition or better than how we found them.

## DIRECT TO YOU

All of our products are available straight from the mill — no middlemen to delay delivery or add extra expenses. Plus, there's no minimum order charge. We even pay the shipping on orders containing regular-priced items totaling more than \$250.

## DEDICATED TO FIRST-CLASS CUSTOMER SERVICE

At Delta Apparel, we take pride in providing the best customer service possible. We pay immediate attention to all telephone calls and email inquiries. You can count on our Customer Service Representatives for friendly, knowledgeable help that extends far beyond order taking. Delta Apparel accepts all major credit cards and net terms.

## UNMATCHED ONLINE SERVICE

We have a team of apparel experts standing by to help you find your fit or answer any questions you may have about your order via our Live Chat service. Our site also features real-time inventory info at a glance, so you'll know what's available before you order.

Discover the difference that comes from making the perfect tees for over a century. With our high standards and unrivaled expertise, we can fit your needs to a tee — and we're eager to prove it.

DELTA APPAREL'S MISSION

## WE'RE ON A MISSION

We are on a mission to make our planet a **cleaner and more sustainable** place. We recognize the importance of ensuring our processes prioritize the well-being of our **people** and the **planet**. Here are just a few examples of the steps we are taking to achieve our mission.

### OUR PROMISE

Being environmentally friendly is essential for the health and well-being of our planet. By adopting environmentally friendly practices, Delta Apparel has reduced our carbon footprint and will continue to work to preserve our natural resources for future generations.

### OUR PLANET

From our fabrics, dyes and inks to our emissions and other outputs, our goal is to ensure every step of our production is done with the health and well-being of our planet in mind. By implementing forward-looking sustainability policies Delta Apparel intends to improve our planet's condition.

### OUR PEOPLE

Our people are what make Delta Apparel successful. We take pride in being able to provide safe and rewarding jobs with competitive wages to individuals across the globe. Our topmost priority is to create a safe environment where each and every team member feels supported, encouraged and empowered in their respective roles. We firmly believe that by establishing a work environment that is secure and fulfilling, we lay a solid foundation for success and growth.

The lifecycle of a Delta Apparel garment begins with the utilization of premium, sustainable cotton. As the primary ingredient in the majority of our apparel products across our brand portfolio, we prioritize the use of high-quality, eco-friendly U.S. cotton.

**U.S. Cotton is 100% natural fiber, 100% biodegradable** and typically produced **with little to no irrigation**.

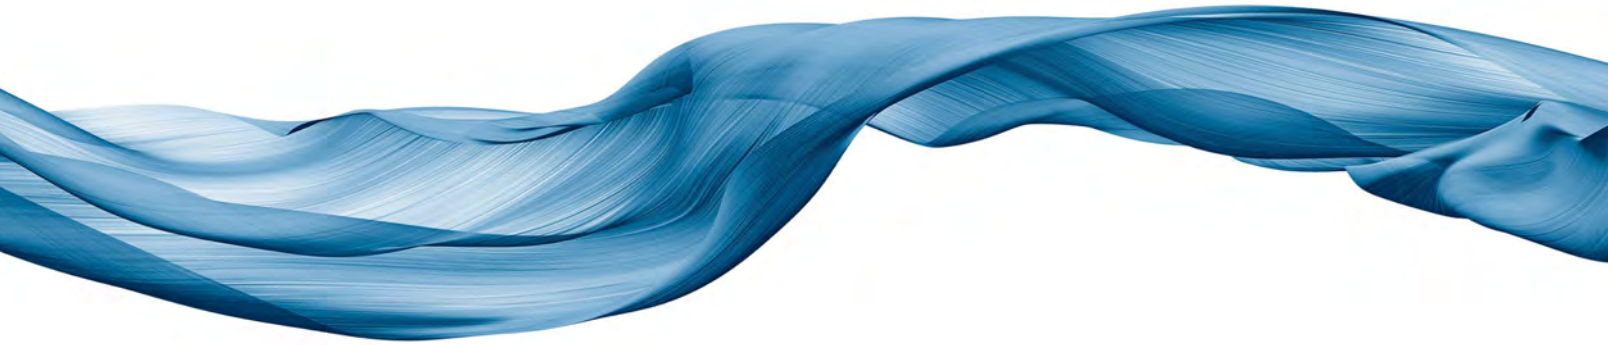

By starting with sustainable cotton, we lay a strong foundation for creating garments that align with our values of quality and sustainability.

**OVER 90% OF DELTA APPAREL COTTON IS U.S. GROWN**

# INTRODUCING CiCLO<sup>®</sup>

SUSTAINABLE TEXTILE TECHNOLOGY

## DID YOU KNOW?

In 2002, Polyester overtook Cotton as the most common fiber. The demand for Polyester continues to grow steadily and rapidly — in 2020 Polyester accounted for over half of all fiber made globally.

## THE PROBLEM WITH POLYESTER

Regular Polyester, composed of plastics, does not biodegrade like other natural fibers; instead it remains in landfills around the planet for decades, sometimes even hundreds of years. When washed, microplastic fibers from Polyester shed and enter waterways where they end up in our oceans where they are ingested by wildlife.

## WE WANT TO MAKE A DIFFERENCE.

At Delta Apparel, we are always looking for new, innovative, ways to further reduce our carbon footprint. One of the many steps we are taking in our mission to make our planet a cleaner and more sustainable place is by introducing a new range of products made with CiCLO<sup>®</sup> Polyester.

CiCLO<sup>®</sup> Polyester is an innovative, nature-based solution to help mitigate fugitive synthetic microfiber pollution caused by textiles. When CiCLO<sup>®</sup> Polyester and Nylon fibers unavoidably leak into the environment, they behave more like natural fibers, such as wool. As a result, we leave less waste behind on our mission to create a more healthy planet.

We are introducing CiCLO<sup>®</sup> Polyester into our product range, in our new PRO SPUN<sup>™</sup> Fleece made of 50% CiCLO<sup>®</sup> Polyester and 50% US Cotton; for the ultimate marriage of durability, comfort and sustainability. This 50/50 midweight Fleece line features all-new modern silhouettes that are designed with sustainability in mind.

This year we will also introduce our new DRItch<sup>™</sup> line, which will be made of 100% CiCLO<sup>®</sup> Polyester fiber. This innovative collection of high performance t-shirts are designed with sustainability and functionality at the forefront of our minds and with the outstanding quality you expect from Delta Apparel.

## HOW ARE CICLO<sup>®</sup> POLYESTER FIBERS MADE?

CiCLO<sup>®</sup> Polyester is added to virgin or recycled Polyester and Nylon when the plastic pellets are melted down to make fibers and yarn. It becomes embedded in the plastic so it never washes off.

CiCLO<sup>®</sup> Polyester branded products are changing the way textiles are made so you can keep using the products you love with a clear conscience.

# NEW STYLES

## Introducing the new PRO SPUN™ and DRItch™ lines from Delta Apparel

Delta Apparel's PRO SPUN™ t-shirt line is made up of a 50/50 blend that combines the softness and breathability of US Cotton with the flexibility and durability of Polyester.

Our new PRO SPUN™ Fleece line features 50% CiCLO® Polyester — the ultimate marriage of durability, comfort and sustainability.

Our DRItch™ performance fabric is made of 100% CiCLO® Polyester — an innovative fabrication that brings us one step closer to solving the problems of synthetic microfiber pollution.

# RING-SPUN

**Delta Ring-Spun tees with tear-away labels are comfortable, stylish and durable. Ring-spun yarn is made by twisting and thinning the US Cotton strands to make a fine, strong, soft rope of US Cotton fibers. Delta Apparel's Ring-Spun tee shirts are tightly knitted to create a tighter canvas—making the perfect t-shirt for screen printers and promotional apparel suppliers. Available in all fits from infant to adult.**

# SOFFE SIZE CHARTS

## MEASURE YOURSELF

### BUST

Relax arms at sides. Measure the fullest part of the bust, holding the tape parallel to the floor. TIP: If the measurement falls on the half inch, round up.

### WAIST

Approximately 3" below natural waist. Measure around natural waistline, keeping one finger between the body and body tape for a more comfortable fit.

### HIP

Stand with feet together, holding the tape parallel to the floor. Measure around the fullest part of hips and bottom.

## FIND YOUR SIZE

Use the chart below to find your perfect fit. If you're borderline between two sizes, order the smaller size for a tighter fit or larger size for a looser fit. If your measurements for bust and waist result in two different suggested sizes, order the size from your bust measurement.

### INTENSITY TOPS

GIRLS	S	M	L	XL
Bust	24" - 26"	26" - 28"	28" - 30"	30" - 32"

WOMEN	2XS	XS	S	M	L	XL	2XL	3XL

# HOW TO

## ORDERS

No minimum order required. Detailed orders may be submitted to Customer Service during our normal business hours: 8 am – 5 pm EST Monday through Friday at 800-285-4456, your local Sales Representative or placed online at [www.deltaapparel.com](http://www.deltaapparel.com) 24 hours a day, 7 days a week.

We accept advance payments via Visa, MasterCard, American Express, Discover, TeleCheck or Bank Wire. Net terms are available with credit approval.

## PRICING

Pricing will vary by style, color, size and quantity. Unusual size scales, colors or costs may necessitate pricing adjustments. Please contact Customer Service at 800-285-4456, your local Sales Representative or log on to your account at [www.deltaapparel.com](http://www.deltaapparel.com) for up-to-date pricing.

All prices, product availability and delivery conditions are subject to change without notice.

## RETURNS

All returns must be pre-approved and accompanied by a return authorization number. All claims must be made within 5 business days of shipment, including shipping issues and defective merchandise.

A return authorization number is required before any goods can be returned. Unauthorized returns will be refused and returned to the customer. Delta Apparel reserves the right to charge a 20% restocking charge per carton with a \$10.00 minimum, on any cartons returned and any applicable shipping charges. RAs will be cancelled if not returned in 15 business days.

# ORDER

Any goods printed, relabeled, washed or otherwise not in original condition will not be accepted. Irregulars and Emphasis goods are non-returnable. It is the responsibility of the buyer to verify accuracy of style, color, size and quantity prior to embellishment.

Please contact customer service at 1-800-285-4456, your local Sales Representative, or online at [www.deltaapparel.com](http://www.deltaapparel.com) with any questions.

## DTG2GO

DTG2GO decorates via DTG water based ink. Please follow recommended wash instructions. All items purchased via DTG2GO are considered decorated goods and not eligible for return.

## IMPORTANT NOTE TO SCREENPRINTERS AND DECORATORS

It is critical to pre-test before printing the entire order. While some of our fabrics and colors are suitable for sublimation printing, high polyester content fabrics are at risk of dye migration during the printing process – resulting in dye bleeding and thermomigration (spot staining). The critical element in polyester printing is accurate temperature control through the dryer, flash and post-dryer. Use a triple stack method to allow extra cooling time before stacking on top of each other to avoid image ghosting and dye migration. Use low bleed, high opacity special polyester inks on all polyester and polyester blend products. It is advisable to consult with your ink supplier. Delta Apparel does not assume any responsibility for decoration problems or returns due to dye bleeding, thermomigration and ghosting.

## EXPORT SHIPMENTS FROM THE UNITED STATES

Delta Apparel will ship to a freight forwarder of your choice within the contiguous US for customers who want to ship outside of the United States. Shipping to a freight forwarder may result in additional charges. It is the customer's responsibility to determine the required documents and terms of the export. Please be aware that not all of Delta Apparel's products can be exported without duty implications. It is the customer's responsibility to confirm and pay these possible duty charges.
